Harding's 1978 Homecoming was a usual suncess. The Queen lean Laufer came from Tri-Rivers; the first one ever. The Friday night game was won by the great Press, squad. During halft me, the Queen, her court and the girls parents were introduced. Saturday nite, a dance was held in the new gym. The theme "Copa Cabana" was well presented by the decorations from the Junior Class. The Homecoming was a special time this past year, and a sense of pride was test by everyone.

"The Show Is My Favorite, and the

"On Friday, November 17th at 8 p.m., the curtain rose at the Paluce Theater to the stirring marches of The Music Man by Meredith Wilson, The orchestra under the baton of Mr. Gary lams and accompanied by Mrs. Diane Thymann, pianist, played these tavorites: "76 Trombones", "Till There Was You", and "Gars Indiana". The entire Harding Concert Choir performed as the choruses. Forty-two dancers took part in three lively dance routines choreographed by Miss Karen Williamson, alumna of Harding

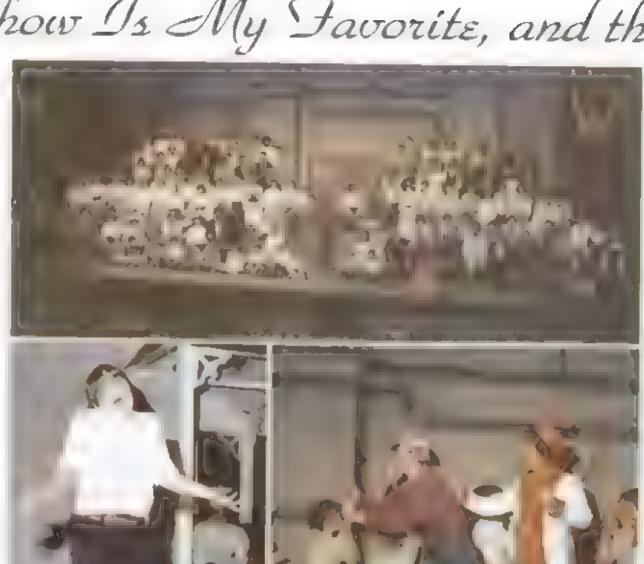

The flurry of getting the sets done occupied H.L.S. members under the expert supervision of Mr. Don Wolfe who also designed the sets. Props were supervised by Mr. and Mrs. Tony Delco and chairperson Alyce Fausi Costumes received the devoted attention of Robynn Jones and Pat Binkley, assistant, Make-up committee was headed by Mrs Cindy Obrecht and Amy Yake

Voice direction received the uble attention of Mr. Stephen thsmann. Dramatic direction occupied Mrs. Alice Galloway and Laura Allen student director, Her assistant was Debbie Arndi

The popular play received standing ovations from the full house Friday and Saturday nights

Presenting The Music Man was one of the most fulfilling and rewarding experiences I have had The show is my favorite, and the cast and crew were wonderful,"

"I feel the Harding Reporter Radio Club is one of the best in the school. I have worked for 4 years on the club and it has taught me understanding, leadership and dependence on others. Through combined efforts, we have produced shows of good quality. I also want to thank other clubs who have donated their news to us. As general manager of "78-79", thanks!

HLS

Harding's Lighting and Stage members work countless hours on the musical and school play. The use of their lighting equipment brightens up a dance or Panorama. The HLS Club has also enjoyed a Christmas Party as well as parties after the plays

Props & Q's

In addition to the jubilant cast parties for the huge success in "The Music Man" and "Harvey", Mrs. Galloway and the Props and O's enjoyed a Christmas party, pizza party, and their annual year end costume party. Several members of the club journeyed to the Great White Way of New York City in March to participate in theatre arts workshops and see top-rate productions. In preparation for the big trip, the diligent members held several fund-raising events including bake sales and a leg contest for the male teachers which was won by Mr. Ashmann. With all of the fun and excitement, the year also proved a special one as the Drama Club made history with its charter in the International Thespian Society. Having a year like that, the Props and Q's of 1979-79 should always be remembered

"LOUE ONE Another"

Harvey is an American theater classic. It is among the top five most-produced plays for many reasons, "Elwood P. Dowd" presents a challenge of portrayal few actors could resist. "Elwood" also offers a philosophy we all need: love one another, enjoy life's pleasures while you can; enrich life with imagination. Harvey symbolizes what our creativity can do for all of us. The script was a challenge for our talented cast. our HLS crew under Mr. Wolfe's guidance added a unique revolving set. Congratulations to all, it was a fine play.

Student Council

Student Council has worked together in making 1978-79 a successful year. We are in charge of homecoming festivities, our biggest project. We also sponsor an exchange day where student council members visit another school for one day. Student Council also sponsors dances, fund rusers, and manages the school bookstore and the senior lounge. We try to listen to the needs of the student body and bring about change if necessary. We're a responsible group and I'm proud to be a part of it.

Honor Society

Fifty-one Harding seniors qualified for the National Honor Society which is sponsored by the National Association of Secondary School Principals. The students were inducted in the fall after being chosen for their leadership, academic, and character qualities. It is quite an honor to be selected for this society. "Being president of the A.F.S Club has been an experience that I will never forget. I have had the pleasure of meeting foreign students from all over the world who have become good friends. If this was not my last year, I would join again, for in my opinion this is a great way to meet, and make new friends. The club's activities for this year included selling carnations for Valentine's Day. In the next month or so we will be having guest speakers who will tell about their trips to different countries. This year the club also plans to visit C.O.S.I., go roller skating, have a pot luck dinner and more guest speakers. The club has many active members and I'm proud to serve them as their president."

"The French Club had trouble scheduling events since many of its members are actively involved with other organizations. However the activities which were held were met with great enthusiasm and cooperation. Everyone was especially eager to participate in the delicious French dinners. As President of the French Club, I'd like to wish a lot of luck to next year's officers. C'est la vie!"

Spanish Club

"As president of the 78-79 Spanish Club, I have found the support from the members was there not only with fun activities but also when there was work to do. The Spanish Club held activities such as the hogie sale, initiation for new members and a Christmas get together which consisted of a movie and refreshments followed by Christmas Caroling. The proceeds from the hogie sale will go to the Spring Dance. The support from other officers was great and this helped the Spanish Club to have another fine year."

Smiles were a common sight when Spanish IV students arrived at Indian Mounds school with a piñata for Christmas. The Christmas Party was held after 10 weeks of tutoring. Harding Quiver Staff

Harding's Quiver Staff had a very exciting year with many new additions to the staff, including a new publishing company. Together we made it through the last pictures, late deadlines, and practical jokes. The Staff really enjoyed getting together for a carwash, Hulloween, Christmas, birthday parties, pizza, a picnic and the annual Quiver Breakfast.

PRESIDENTS ARE GREAT IN '78!!

The 1978 President's football season was approached with enthusiasm and high hopes as we entered the upcoming season with 23 lettermen and 15 starters back from last year's 4-6 team. The prayers, coaches and the local media were all talking about football being great in '78 at Marion Harding High School

The tone was set for the big games of the season as we opened here against Groveport Madison For 3 quarters we each played superb defensive football, but following a turnover late in the 4th quarter, Groveport's Q.B. hit a post pass for a T. D. after escaping plitzing linebacker Paul Stallings The score stood up for a 7-0 victory for Groveport, who went on to finish 9-1 for the season. We were all extremely disappointed following the game, and it was probably best summed up by Mike Lindsey as he commented I m disappointed that we didn't win but I'm even more disappointed that we let our fans down. Our student body had been solidly behind us as we approached the season and we would soon find out they would continue to support us throughout the season regardless of what the scoreboard said

The fans were not disappointed for long as we defeated an outmanned Delaware Hayes team 50-0 with many of the players getting involved in the scoring parade. The next week we want on the road for the first of three away contests. Lima Shawnee provided the opposition and were certainly worthy opponents, as it took a last minute goal line stand to preserve a 14-7 victory.

Now we prepared ourselves for the Buckeye Conference and the Elyria Proneers. Once again the game was a defensive struggle with Elyria scoring first. We came back to score and went for the two point conversion which failed. We started another drive late in the game which we hoped would result in either a winning T. D. or field goal but an Elyria linebacker had other ideas as he intercepted a flat pass and returned it 70 yards for a clinching T. D. The final score was 13 6

Dennis Winters feels the thrill of victory during the lesseconds of the game.

There got, Bassh , precast hope on Admin king of momentage

Kirthy Whisler is proud as he is introduced with his parents on Parents. Night

The next opponent was Findley The game was one of the great games of the season. We have never had a team make a greater effort. With the score fied at seven, we started on a drive late in the game which was extended by a fake punt run which resulted in a first down at the Findley 35. On the next play, the ball was knocked out of our hands directly into the hands of a Findley defensive end who returned it untouched for a 65 yard T.D. With two minutes remaining we moved the ball the length of the field only to have Marvin Owens knocked out of bounds on the 2 yard line as the clock ran out, Final score 14.7 Season's record 2 3

The following week. Sandusky came to town. They won one half and we won one half. The score at half time was 20-0 in favor of Sandusky. The final score was 27 18. Our players never gave up, and after losing back to back heartbreakers we were extremely proud of their efforts. The next week everyone on our team was involved in the 39-14 homecoming victory over Lorain Admiral King The game marked the first of three 200 yard plus rushing accomplishments by Marvin Owens

On the road once again we traveled to Fremont Ross and shut them out 27-0. The defensive team played an outstanding game in completely stopping Fremont's high scoring pass offense. It was a great team victory! The next Saturday night we traveled to Lorain and for some reason did not continue to play the aggressive football that we had been playing The final score was 21-0 Lorain

Our final game marked the end for our senior class, and they did indeed have class and leadership. On the first play from scrimmage. Marvin Owens needed six yards to go over the 1 000 yard mark in rushing but instead went 71 yards for a T.D. The final score was 24 0 and the final ledger was 5 wins and 5 losses and a tie for 3rd in the Buckeye conference.

THE HARD WORK PAYS OFF!!

Our hard work paid off Nine b avers made All Buckeye Conference teams: Kevin Shirt Marvin Owens, Tony Price, and Kevin Siebert on offense, Lamar Pess Paul Stallings, Rob Workman Terry Mullins and John Brady on defense. Brian Parish a so made the ser and team Buckeye Conference as punter. Eight players received Honorable Mention: Ray Burkhard Richard Jackson, Mike Lindsey and Chuck Stewart on offense Garry Curren Mike Chapman Jeff Glass and Rob Maugams on defense. Following the season, the team was also honored by having Lamar Ross and Marvin Owens selected to the United Press International All-State Team Lamar was named to the first team as a defensive end, and Marvin was named to the special mention as a running back. The team captains were John Brady Paul Stallings Dannis Winters, and Rob Workman. The team was admirably coached by coaches Filiater, Hall and Huddle on offense and coaches Whisler, Kile Rick and Shank on defense. It was a great pleasure working with all these fine young men and I have confidence they will be successful in future endeavors

Harriers Finish Perfect 15-0 Season

The cross country team finished with a perfect 15-0 record, upping its unbeaten mark to 22 in a row since the 1977 season. The Prexies played host for the Buckeye Conference meet and regained the championship title for the 3rd time in 4 years. The Harriers won the title on finishes of 2nd 5th 8th 10th and 14th for a total of 39 points. Four Prexies were named to the 1st team All Buckeye Conference Squad, they were Todd Jolliff Joel Russell J. C. Church, and Tim Kohler, At a triangle meet against Fremont and Sandusky in Sandusky Todd Jolliff and J. C. Church both broke the school record of 12:50. Jolliff's 2:46 established a new school record and all-time sophomore class mark, and Church's 12:48 set. a new all-time Jun or class mark. At the Fall Sports Banquet Church was named 'Most Valuable Runner" and also received the Team Captains Award Tim Kohler won the Golden Guts and "Most Improved Runner" awards along with Joel Russell, and Todd Jolliff was named Most Outstanding Sophomore

Lady Presidents Volley to Best Season Ever

We had an excellent volleybali season this year posting a super 16-4 record. Jackie Miller, Lizann Bolinger and Darla Severns served the team as tri-captains. We placed second in the Galion Invitational Tournament and second in the Buckeye Conference Tourney. The volleyball team won Sectionals by defeating Vermillion and Shelby and advanced to Findley for District competition but lost to Tiffin Columbian. This is the farthest any Harding volleyball team has ever gone in tournament competition. The junior varsity compiled a 9-1 record

Soccer's First Season

The first "Varsity Club" season was a success. The M.H.S.C. played in the first ever, Central Ohio Soccer Preview in Westerville to a crowd of 800. The club also competed against the most experienced and established teams in Central Ohio. The club learned firsthand the skill discipline, and experience needed to play successfully next season. With four crucial injuries to our starting line up, we chalk this season up to experience. Our goals for next year are to tighten up defensively, have a win/tie record of 500%, and have fun doing it.

Girls Tennis Finish Another Competitive Season

This year the girl's tennis team had a trying year finishing with an overal record of 4.9. Many of the matches were close, and throughout the season everyone showed great improvement. Our comeback victories over River Valley and Buckeye Variey helped the season end on a positive note. Captain of the team was Geri Blake and most improved players were Lynn Jones and Becky Rousey.

Golfers Place Third in the B.C.

The Marion Harding Golf team finished its fall season with a fine 9 5 record, Along with this, the team placed third in the Buckeye Conference. The team began the season with a major obstacle that being their lack of experience as only one starter Craig Bei returned from the previous year As the season progressed the team gained confidence that culminated into an excellent performance at the Sectional Tournament held at Mansfield. The Harding Golf team was picked to finish eighth in the tournament, but pulled a surprise by claiming the third place finish which qualified them for the District Tournament, A fine effort was turned in by the entire team with Craig Bell taking the medalist trophy with an 18-hole score of 77 At the awards banquet Craig Bell received the Low Average Trophy and Dave Carver was named Most Improved Gorfer

Pride and Effort Mark Lady Presidents' Season

The Lady President's 1978-79 season began with pre-condition ng workouts in September, Girls who weren't involved in a fall sport started a running and weight cond tioning program with time in an open gym. The hard work of the season officially whistled in the 4th of November, Four returning letter winners Shelly Ricketts, Liz Bolinger, Chris Collins, and Judy Stewart formed the nucleus of the 1978 79 squad. Two Sophomores Lisa Binkley and Robin Rife were edded to the varsity roster plus two jun ors Nancy Baker and Sue Gorham, Darla Severns and Jackie Henderson were two seniors that rounded out the varsity eleven These girls worked hard for six days a week for three hours a day refining individual skills and developing strength and stam na

As the season opener approached enthusiasm and excitement generated against beating North Union, A disappointing first half with Harding scoring only eight points was the difference in the game. A fine sec and half brought the Lady Presi dents close but it was not enough Judy Stewart, however, did begin her scoring blitz by netting eight

een points

The second game of the season was the first Buckeye Conference game against Findlay. This contest gave the Harding girls their first victory in a close 44-42 battle. Judy Stewart again led all scorers with 19 points, and the Lady President's defense kept their top

scorer to zero.

The traditional Ontario Tourna ment provided Harding with its next several games. Easily defeatng Mansfeld Madison by 48-29 put Harding against a much talter and highly skilled Ashland team. In a beaut fully played team game Harding defeated Ashland 42-41 Judy Stewart scored 29 points in this game for the second consecutive game. This tied the schools single game record. In the final game of the AAA tournament Harding, now 3-1 for the season was matched against Mansfield Senior for the first place trophy. In

Prexies Show Fine Effort

Honry Start of wers to ware tore

If there was any doubt about the kind of basketball games that the supporters of M. H. H. S. would see during the 1978-79 season, that doubt was made clear on the night of November 30th in a game against Lima Senior. The game was a titanic battle between the size of the Trojans and the quickness of the Prexies. The outcome was a double overtime loss which set the tone for the remainder of the season, as the Prexies were involved in no less than twelve games decided in the last minute of play. Playing regularly for the Prexies were guards Ed Robinson John Brady and John Hathaway forwards Henry Starks, Marvin Owens and Sam Carter and centers Keith Russell and Lamar Ross

On December 15th the Prexies played the Lorain Admiral King in a game which would determine the lead of the Buck eyes Conference, during the game the lead changed every time the bal changed hands. As time was running out with just one second to go, an LAK player threw up a deep corner shot that stung the nets and startled the Prexie fans as LAK took the game 51-50. In another hair-raising contest against Mansfield, it came down to a 79-79 deadlock with time rapidly ticking off. It ended in a tie and the game was launched into overtime and with just six seconds to go. Keith Russell received a brilliant pass from Sam Carter and took an 18 foot jump shot that stripped the nets and gave the Prexies an 81-79 vic

The season's finish brought a 7-12 overall record for the Prexies. Henry Starks was named to the first team of the Ali-Buckeye Conference team, Senior Ed Robinson was chosen to the third team of the All-Buckeye Squad, Earning Honora ble mention were juniors Keith Russell and Sam Carter, Henry Starks was also honored with a second team finish on the All-District Squad and Ed Robison and Keith Russell were Honorable Mention All-District. At the winter benquet Lamar Ross was given the award as the team's leading scorer with 243 points Henry Starks received the award for most rebounds with 182. Ed Robinson was given the award for most assists with 112. The team voted John Brady as Mr. Huste Sam Carter at Mr. Detence sor, Keith Russell as the most Improved Player.

Tracksters Finish Seventh in State

1979 was a great year in the continuing upward drive of Marion's running program.

After an outstanding indoor season the 1979 Prexies track and field squad powered through the outdoor season with a dual meet record of eight wins and one loss.

The team won invitational championships at the Worthington Relays and the Sandusky Relays while finishing in third place at the Marian Night Relays and in second place at the Buckeye Conference meet

Track team members broke or tied eighteen track records, twelve class records and one state record. The outstanding records were set by Jeff Glass (high hurdles 14.0), (440-49.2) John Wright (long jump 22'9") and Kevin Seibert (pole vault 13'11"). Kevin also established a state mark in the decathlon of 6 089 points.

The team concluded the season with a seventh place in state meet competition as Jeff Glass placed second in the 300 meter low hurdles and third in the high hurdles and our mile relay although not scoring at the state meet had the ninth fastest state meet performance.

In conclusion, a special congratulations to the seniors who have helped bring Harding back to a respectable spot in the state of Ohio track scene

"Another Successful Season," States Coach Rubcich.

On opening day, some eighty girls turned out for our daily work-outs. We concluded our season with exactly fourty-three girls. Many have dropped out by the way-side. However, through it all — the cold the wet, the many, many practices and meets. I am proud to say these girls gave it their very best. It is this type of individual that makes a tremendous and victorious track season.

The display of leadership from the four captains: Amy Ashworth Connie Bomas. Cris Collins, Darla Severns and upperclassmen has made coaching more pleasurable and most rewarding.

Team, track, and sectional records were broken only through drive, dedication, determination, and hard work. We had a fantastic season of 9 wins and 0 losses in dual and triangular meets. Our record to date is 57 wins and 1 loss.

There is a great deal of potential within this young group of young athletes and I'm looking forward to another rewarding season.

What a Season!!

1979 was a banner year for Harding Baseball. Never before has a baseball team accomplished so many goals in a single year. A record of 15-3; a D strict-runner up in the State Tournament; and Buckeye Conference Champions.

Harding put together all the elements necessary to win, pitching plus strong offensive and defensive to accomplish these remarkable feats.

A most valuable player would be impossible to name on a team where so many individuals played key roles in our success.

Several players did receive Buckeye Conference honors: Brian Parish and Paul Stallings — 1st team: Brian Luce, Doug Metz Kevin Short — 2nd team

The 1979 Harding Baseball team has indeed established some very high pracedents for future Prexy teams.

Advantage Harding!!

The Marion Harding tennis team of 1979 was one of character motivation and improvement Having come off a rather dismal 1978 season with only two experienced and two inexperienced lettermen; we rebounded to a 9-9 record

Led by senior Jeff Rich, [7-1 at 2nd singles) this team has even better prospects for 1980 Returning next year will be junior Blair Imbody, who in 1979 played some excellent tennis against some very tough competition. Along with Blair will be sophomore David Rees who with a little work should be another winner at a singles position, John Bombatch, our best doubles player, and John Ballinger a steady groundstroker, will be trying for their third varsity tennis awards. Other returning lettermen Bill Rall Jeff Baldauf, John Smoak and Peter Aiken should boost the team to a high finish in the Buckeye Conference

As a first year coach. I was a little shaky at times. However, I would like to thank seniors Jeff Rich and King Tway for their help. Jeff, for his leadership and King for sticking out the season and competing with the underclassmen. This group of young men were simply super as each showed a self-motivated effort for improvement.

Things look bright for next season

Swimmers Make Big Splash

With the swimming team only competing in one duel meet throughout the sea son and being victorious in that, they turned their heads toward the big swim meet Invitationals. As they traveled throughout the state for these meets they had some very good performances Some of these super performances came from junior Howard Hawks as he set new records in the 100 yard butterfly and the 100 yard freestyle events. In the butterfly he had a fine time of 58.34 seconds and in the freestyle his time was 52.32 seconds. At the annual Winter Sports Banquet here at Harding, Howard Hawks was named the Most Valuable Swimmer on the team. And David Day received the trophy for the most points scored in the season, Sophomore Greg Winger was named the Most Improved Swimmer on the team

The Athlete's Creed

| Believe . . .

It is a privilege to play on a school team.

Adherance to the training rules is a duty of each squad member.

Questionable practices and borderline ethics are not profitable.

He who abides by the rules of the school deserves homage and respect.

The greatest attistaction comes from giving one's best through the season of preparation and during the game.

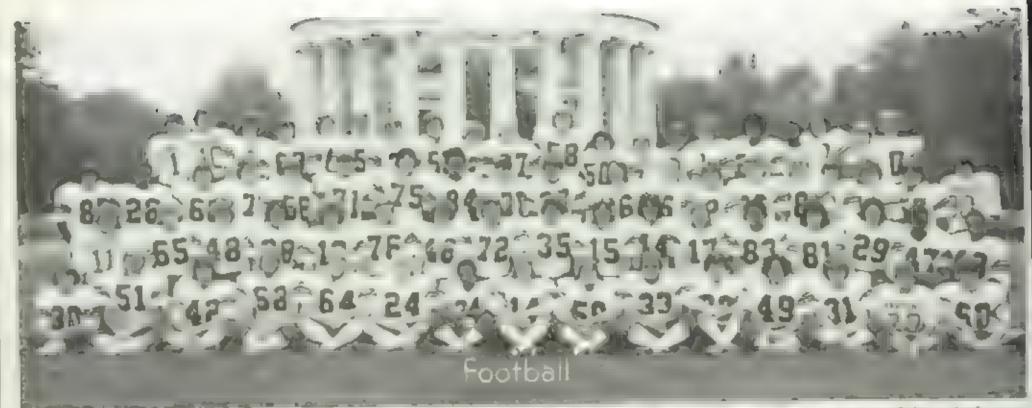

The highest type of enjoyment comes from working in a worthy cause. Contests should engender good will between schools, and it is the duty of each player to promote this feeling.

The proper question for the athlete in "What can I do for the school?" instead of "What will the school give me if I win?"

The success of an athletic department school, or nation depends on the adherance of its members to the laws of the organization.

The making and retaining of triends on the faculty, in the student body, among tank and on opposite teams are among the most valuable assets in life.

A Change of Style

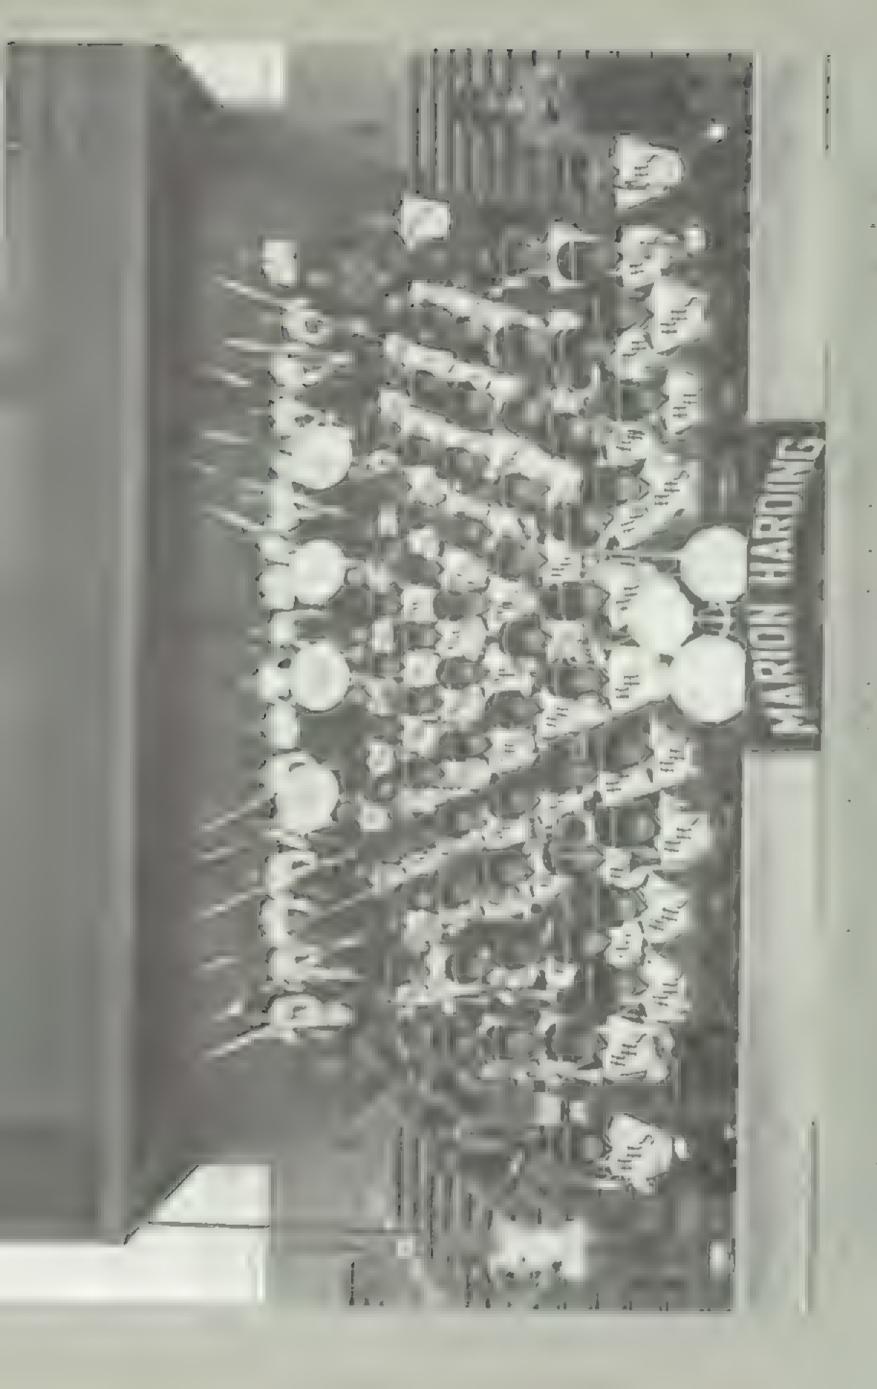

A new step, some new songs, a new director, a field commander a feature twirler, a flag commander and some new ideas changed the entire style and appear ance of Harding's Marching Band this year. Instead of marching the traditional highstep, the band now does corps-style" marching. The new marching, along with practice until 4:00 and contest competition were all new ideas of Mr. Tom Alien the new director. He felt contests would be good experience for the members Inexperienced but with much confidence, the band did compete, placing fourth in its first contest and bringing home a first place trophy the second time around. The band also won "best group" in the Marion Halloween Parade. Maybe there's something to the change of style: it brought cheers from the stadium on Friday nights

The two choirs inder the direction of Stephen Ahsmann had a very successful year. The choirs have part tipated in several events, three cit which are annual. Christmas at Harding, the performance at the Palace, and Panorama.

For the first time in 42 years, the concert Choir traveled to Upper Sandusky to participate in district competition. The childrens string of 10 members performed. Nell, By Psaim 84 and Aleija, at the contest. With the rating of one through five the choir elevel is superior, and I excellent which gave them an overal rating. If

Being a Prexy Is Having Pride in Yourself,

Seniors have truly met the requirements of being Prexies. They have pride in themselves, which is evident through the academic achievements of many students in the National Honor Society. They are proud of their class and continually support its activities like the Powder Puff and Turkey Bowl Games. Finally, and most important, Seniors are proud of Harding High School and are always eager and full of enthusiasm to support their school.

Another Successful Youth in Government Day

The interest and enthusiasm in the Youth in-Government Program in 1979 was tremendous. The seniors participated in all phases of the program from the registration to the vote, to the visitation of city hall, the county court house and the school administration building

Through the cooperation of the county officials and the school administration, it was possible to more than double the number of students who could profit from the experience

Education Teaching, learning, growing in mind and spirit

Omitting as many clicks as bissible allow melto relate to you in a sentence or two how live Marding High Since Our schools nich with pride and tradition. Over the years our students parents and community have been overwhelming, supportive of our programs, am convinced that this support and strength from the past is inder by etched in the day y operation of our school. The pertinence of our teaching staff and the pride of our student body are obvious attributes of those associated with the school. For this I am so proud,

Congratulations to the Quiver staff for outstanding work on the 1978-1979 yearbook

WHAT MAKES HARDING SPECIAL

Harding is special to me because of its activities: musical concerts dramatic productions, football and basketball games Homecoming, the National Honor Society

and senior activities:

its people: youthful eager students, enthusiastic young teachers, helpful secretaries and custodians, and experienced, mature faculty and administrators — all warm friends:

its challenges: to motivate students, to teach new concepts, to develop new methods, to stimulate young minds to promote original thinking:

its changes: to innovate programs and to up date curriculum, to choose new textbooks to experiment with different schedules and assignments; and

ts opportunities: to develop leadership, to give purpose to my life, and to help others.

Because these things make each day a new exciting, and fulfilling experience, I am proud to be a part of Harding High School.

Mary Cree Cachoun

TEACHING AT HARDING.

Even though this is my first year of teaching at Harding High School, the Marion City School. System is by no means new to me. This is my ninth year in the city system, having been both a teacher and guidance counselor.

Teaching at Harding has been an enlightening experience for me. The atmosphere set by the staff is one which is friendly and one which shows genuine concern for the students. This attitude is reflected in the pride that the students have in themselves and in their school

I have grown both as a teacher and as a person by being associated with Harding High School. I only hope that my students have learned from me as much as I have from them

The Comment of the comment

Matt Cock gody receives his diploma

A step into the future

To the 1979 Graduating Class

Let me extend my warmest congratulations to each 1979 graduate

You have laid a foundation for useful and satisfying lives. Before you start your next phase of life, I would like to offer a few thoughts that you may find useful

The passion to succeed, to achieve great things, is strongest in youth. Heed it. Do not squander your lives in petty pursuits Commit yourself now to a course that will strengthen you for the trials and opportunities of life.

Prize your individuality always. Whatever your place is in society, whatever your work do not surrender your self-reliance or compromise your independence. Liberty is and always will be your most precious possession. Guard it well

Direct your energies, your talents, and your desires to what is best for yourselves and best for your country. We look to you to redeem what is wrong in our national past and to build what will be great in our national future.

Let this be your wish: that you may look back upon this graduation — from no matter how many years hence — with the conviction that you have treated all people with honesty and good will, that you have put your heart into your work, and that you have done your very best

Sincerely John F. Steward Principal of Harding H.S

Our Future Begins Here

The Past Ends. January

September

The starting of the 78-79 school year got off to a good start when the sophomores found out there was not an elevator to the third floor. As we kicked off our football season, the Harding Reporter held a Courtyard Dance.

New Year Resolutions were made to study harder and work for better grades, but as exam time came closer the resolutions were soon forgotten. Basketball and wrestling seasons were now in full swing

March

Spring Fever broke loose with the coming of spring. Everyone was anticipating the well-deserved spring break

October

Thoughts of homecoming began, but finally the queen was chosen, Jean Laufer. Her court consisted of Brenda Bond, Emma Bowen, Debbie Robbins, Amy Ashworth. The theme of the dance was Copacabana. Halloween brought many surprises through Swinger.

November

The annual Harding Musical took place at the Palace Theater, this year being the well known Broadway hit. "The Music Man". The Thanksgiving break was a welcome relief before the exciting basketball and wrestling seasons began

DECEMBER

Christmas was getting nearer as Har-

ding Choirs mellowed the air with carols

Debruary

Almost nothing could describe the excitement and spirit that filled the school on the Annual Fifties' Day. The game and dance that followed were just as fantastic. Later in the month was the Sweetheart Dance sponsored by the International Thespian Society.

April

Easter wishes filled the air and within a week, the celebration led to the Spring Dance. The theme was "Dreams" and sponsored by the Spanish Club.

May

Preparations for the Prom had begun long ago but now the work had just begun to peak. All the hard work paid off with the beautiful decorations. Senior activities were headed with a Ladies Day and Chauvinist Day. The Senior Assembly was held inside but that did not hinder the award presentations.

June

A beautiful sunshiny day was the setting for Commencement Exercises. The underclassmen were still busy studying for final exams. The day finally came to receive grade cards and school was out for summer.

of Christmas Joy. Other forms of spirit were preparations of the turnabout Christmas Dance.
